Ideal concept for both facilities managers and office managers to replace existing tiles, or as a virus prevention initiative on new flooring projects.

The benefits of carpet tiles make them the perfect medium to communicate the message of Social Distancing:

- Ideal size for 2 metre spacing (500mm x 500mm tiles)
- Replace existing tiles temporarily
- Ease of maintenance
- No sticky tape required
- No tripping hazard
- Ideal for heavy traffic areas

Use to direct the flow of foot traffic and change distancing behaviour. Different colours and bespoke printing available on request.
